MESSAGE

The Export promotion Council for Handicrafts has continuously made untiring efforts to provide a competitive edge to the Indian crafts and provide international platforms for showcasing its strength in the global market.

Working online has become a new normal for survival of existence in COVID times, and it is commendable that EPCI taking lead has organized around 09 virtual trade fairs and buyer seller meets since June 2020. As physical fairs are still not possible, EPCI has come up with 14th edition of *Indian Fashion Jewellery and Accessories Show IFJAS* from 27th to 30th July in virtual mode.

With special focus on Pavilion of artisanal crafts of Western, Eastern and North Eastern Region at the fair, it would push the exports of handicrafts and provide livelihood to the craft person from these regions as well.

I am sure this virtual fair will provide a good sourcing opportunity to overseas buyers from Indian exhibitors and encourage them to transact business virtually.

I welcome the buyers from across the globe, their buying representatives, the major Indian Retail and online brands to this virtual trade fair platform and wish them all the success.

MESSAGE

I am pleased to convey my appreciation for the continuous efforts of Export Promotion Council for Handicrafts (EPCH) towards promoting the exports of handicrafts and projecting India as a reliable supplier of Indian Handicrafts for the overseas buyers.

After successfully organizing around 9 virtual trade fairs and buyer seller meets during pandemic, EPCH is set to organize the 14th edition of Indian Fashion Jewellery & Accessories Fair from 27th to 30th July, 2021 in Virtual mode. This is a step in the right direction at this juncture and is certainly a win-win proposition for the overseas buyers, exporters and craftpersons associated in handicrafts sector.

I understand, EPCH has done exclusive publicity through emailers, online banners, social media, tele calling and by also involving Indian Embassies and Consulates abroad to promote the IFJAS Fair.

Besides traditional buyers, many new overseas and Indian buyers will get the opportunity to source from the skilled artisans representing Western, Eastern and North Eastern Regions of India who are also exhibiting through this virtual trade fair platform of EPCH.

I express my best wishes to the participating exporters, buyers and Team EPCH.

MESSAGE

I feel extremely proud to welcome you to the inauguration of 14th edition of Indian Fashion Jewellery & Accessories Show 2021 on virtual platform. So far we have successfully organized five virtual fairs and four virtual Buyer Seller Meets across the globe as the situation is still not conducive for organizing any physical activity.

Despite facing the pandemic for last 16 months, the Indian handicrafts sector has been able to register a marginal growth and has reached 25679.98 Crores with 1.62% growth over previous year 2019-20 clearly indicating that there has been a strong business sentiment amongst the overseas buyers to source from India.

During the 14th edition of IFJAS, a wide variety of fashion jewellery, Fashion Accessories & Bags, Fashion Material, Women's Garments & Apparels, Stoles, Scarves & Shawls etc. will be showcased by the exporters. The show will have special craft pavilions to promote the crafts of North Eastern, Western and Eastern Region states of the country. In addition to this, craft demonstration videos, informative webinars will also attract the attention of visiting overseas buyers.

I am thankful to the office of Development Commissioner (Handicrafts), Ministry of Textiles, Govt. of India for their continuous support to EPCH for the promotion of handicrafts sector.

I once again welcome the buyers and their buying representatives to join us and make IFJAS 2021 a great success.

MESSAGE

IFJAS offers a unique opportunity to the exhibitors to display their capabilities and fully harness the business potential offered through this marketing platform. For the past 16 months, the world has been and is still trying to overcome the pandemic that has minimised the possibility of any physical interaction.

In this period, we have tried our best to provide matchmaking opportunities to the exporters and to the overseas buying community by leveraging the strength of online medium to the best of our ability and have successfully organised virtual fairs and buyer seller meets. The buyers as well as the exhibitors are now well versed with the technology and are successfully interacting and transacting business through virtual exhibitions.

I can very well say that our understanding of the pandemic after 16 months is much better than what it was in the beginning and with the vaccination drive in India as well as across the globe being done at a very rapid pace, we hope that in 6 to 8 months' time we will be able to organise physical shows.

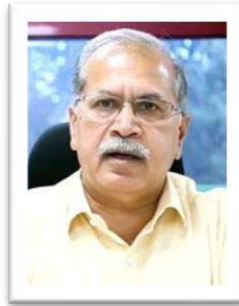

However, in the meantime, I wish all the very best to the participants of IFJAS who have once again shown their confidence by exhibiting in virtual mode in the 14th edition of Indian Fashion Jewellery & Accessories Show from 27th to 30th July, 2021 to serve global demand in the segment.

I would also like to thank the office of Development Commissioner Handicrafts, Ministry of Textiles, Govt. of India for their support towards growth and development of handicrafts sector and projecting India as a profitable sourcing destination.
